

SKILLS

100% of our NLCC family members have a skill to offer! We would like 100% participation in our new, on-line, Skills Bank.

What it is:

www.northernlakescc.org

Skills Bank:

A listing that includes all members (including the teens) and the skills they have to offer. For example: Are you a plumber? Do you babysit? Are you a good cook, photographer, or financial consultant? Would you help someone move furniture, build a house, or remodel a kitchen. Can you

be hired to set up wireless computing in a home or business?

How it works:

The process is simple: List your Skills in the Bank. The "skill" can be for pay or gratis.

Then:

When you need a service, consult our skills bank first.
